**Jonah: A Forgiveness Journey
In the Belly (Jonah 1:17-3:3a)**

In the Belly =

Jonah's song echoes an ocean of _____ & _____ available.

Key to Jonah: "Deliverance _____ to the _____!" (v. 9)

Warning:

God does not rescue us based on our _____,
but on our true and honest turning to Him for help.

While God wants more for us than mere _____ obedience,
without _____, God's rescue is stopped or sunk.

Big Questions:

- When you are in the belly, what scriptures or songs could you turn to for hope in God's full deliverance?
(If you need help, the back of this sheet is a starting place.)
- What is the next obedient step you can take in your journey with Jesus to continue moving toward full deliverance?
